## ④ My 2nd Internship at Marqeta

Marqeta offers  
payment API to client;  
CRM is an add-on

The screenshot shows the Sproutify interface for a Marqeta account. The left sidebar contains navigation links: Home, Reports, Customers, Risk management, Balances, Card management, Credit (highlighted), Credit products, Offers, Account holders, Settlement, PROGRAM CONTROLS, Development, and Control center. The main content area displays account details for Marissa M. McPeak, including a total credit limit of \$8,071.00 USD, a current balance of \$1,532.16 USD, and an available credit limit of \$6,538.58 USD. Below this, there are tabs for Account details, Cards, Transactions, Payments (selected), and Notes. The Payments section includes a 'Payment summary' with a due date of 2020-08-01, a statement balance of \$700.00 USD, and a minimum payment of \$198.11 USD. It also features a 'Pending payments' table and a 'Past payments' table with a date filter set to 11/19/2019 - 03/02/2020.
